

**Comprehensive Safety Action Plan and Bicycle Master Plan Update
Answers to Questions Received**

- 1. Does the City plan to prepare the SS4A and HSIP applications? Are they asking for support in preparing the application with estimates, concepts and applicable data to be used in the application the City will be preparing, or asking the consultant to prepare the entire application?**

The City would appreciate if submitted proposals include costs for both grant preparation support and full grant preparation. Please include the tasks as line items in the cost estimate.
